Do You Accept **Credit Cards** from Customers?

CRCA Can Help Reduce Your Credit Card Processing Expenses!

As a Member Benefit, **CRCA** is partnering with **Run Payments** to offer an important upgrade to your credit card processing.

What does this include?

- **Automatically integrate** all processed payments directly into your software

- **Protect** sensitive cardholder data

- **Reduce your PCI Scope** with state-of-the art security such as Point-to-Point Encryption (P2PE) and Tokenization

- Pricing structure **lowest in the industry!**

- **Transparency!** No hidden fees

Next Steps?

Contact CRCA's Partner Representative today to run a no-obligation review of your current credit card processing rates:
