

## **Greg Dedic**

---

### **North Coast Roofing Systems**

Greg has been involved in the roofing industry since 1981. He worked in the field as an installer on low slope roofing for seven years and then spent the next 20 years working his way up the ladder, from Sales to Project Manager and then Vice President of Operations. He is current working as a territory manager for North Coast. Greg has been involved with CRCA for many years as a member of the Program Committee and is now the Trade Show Committee Co-Chair.

Greg volunteers time on the St. Irene Parish Advisory Board. He lives in North Aurora with his wife Betty and daughter, Samantha.
