

# May 2026 CRCA New Member Meet & Greet

**Start Date: 5/19/2026 12:00 PM**

**End Date: 5/19/2026 1:00 PM**

CRCA's Virtual New Member Meet & Greets are one hour informal virtual discussions led by our membership committee to provide new members who have joined in the last 12 months the opportunity to meet fellow members, get any of your CRCA questions answered, review our new member checklist and learn what's new and upcoming at CRCA. Invitations with meeting details will be sent to registrants after they have registered.

Registration is limited to individuals who work for companies that have joined the CRCA in the last year. Anyone that registers and is not an employee of a new member company (joined within the last year) will have their registration removed.

New member this year and want to be added to the event? Email [Lisa@crca.org](mailto:Lisa@crca.org).
