

IIBEC-Chicago Annual Meeting and Program

Start Date: 1/19/2022 7:00 AM

End Date: 1/19/2022 6:00 PM

The International Institute of Building Enclosure Consultants Chicago Area Chapter (IIBEC Chicago) will be hosting its Annual Meeting and Program on Wednesday, January 19th from 8:00am to 6:00pm.

The program will take place at the Hyatt Lodge Oak Brook Chicago. Located at 2815 Jorie Boulevard, Oak Brook, Illinois

Four technical sessions will be offered as well as lunch, chapter awards and a cocktail reception at the conclusion of the program:

“Developing & Implementing a Building Construction Quality Program” by Angelo Trapani, The Walsh Group

“Critical Details for Durable Masonry Facades” by Jeff Diqui, International Masonry Institute

“State of the Roofing Industry” Round Table Discussion by Melissa Lieb, Mac Brady Associates, Inc.; Ryan Schultz, SJ Mallein & Associates; and Rolf Snobeck, Tecta America

“Lightning Protection Systems for Building Enclosure Consultants” by Tim Harger and Kelly Collins, Lightning Protection Institute
