October 2022 CRCA CWIR Safety Training

Start Date: 10/27/2022 2:00 PM

End Date: 10/27/2022 4:00 PM

Join CRCA's CWIR for a FREE safety training at Garza Roofing Equipment and Supply. Training by Safety Check's Frank Marino.
Topic is as follows: Fall Protection in the Roofing Industry and proper safety set up. Questions and safety areas that you are looking to address can be done in this class. Frank is prepared to answer any questions. This will be interactive and utilizing the safety equipment at the shop. Pizza and refreshments will be served after the training.
