The MyLEADS solution goes well beyond just scanning badges in a booth by providing you access to the tools and key delegate information needed to collect, follow-up and convert sales leads to customers. Backed by expert support, sound technology and the freedom to manage your leads in the way that you want to. Understanding your return on objectives, becomes easy!

Key Features

Exhibitor Portal
Access your licenses, leads and reporting online all the time. Follow-up with leads in real-time.

Custom Qualifiers
Always included and simple to setup. Customize your qualifying questions and answers online at any time.

Capture Leads Anywhere
The freedom to scan anywhere. No power or internet required to capture leads. Note: internet required to sync leads.

MyLEADS Standard

A small, light weight & easy to carry scanner, equipped with just one key. Allows for easy and straight forward use. Equipped with onboard memory, it provides an economical method of collecting leads. Access your leads online within one business day after the show closes. No electrical required.

MyLEADS Mobile

Real-time attendee lead information. Ability to either scan badges or type badge ID's. Multiple device option, that syncs instantly to your account on the exhibitor portal. Take notes within each lead and answer custom surveys/qualifiers. Modify custom qualifiers on demand online. Native application allows for off-line capturing in areas with poor connectivity. Export your leads in multiple formats. No electrical required.

MyLEADS Connect

Use your own scanner at the event and connect to our database using our API. Once order is processed, API documentation and a token key is sent. Multiple device connections are allowed. One company per unique token key.
